Hindi

PROFILE

Highly motivated and ambitious with a strong passion for web development and a keen interest in MERN (MongoDB, Express.js, React.js, Node.js) stack technologies. Aspiring to begin a rewarding career as an Entry-Level Full Stack Developer, I possess a solid foundation in programming concepts and an eagerness to learn and apply new skills in real-world projects.

+2 Science Stream

Uniglobe SS College, Nepal 2021-2022

- Basic HTML and CSS
- Basic JavaScript and PHP

SEE

Paragon Public School, Nepal 2019-2020

PROJECTS

Messaging Web Application

It is a messaging app developed using the MERN stack. It enables real-time communication between users, allowing them to send and receive messages seamlessly. The app leverages the power of MERN technologies to provide a user-friendly interface and a robust back end for efficient data management and communication.
